Facilitator Question: What are some of the ways that the needs of this ecclesial area are currently being met by you as an individual, by your parish and by the diocese? What are the greatest weaknesses? This is typically referred to as the **WEAKNESS** or area for improvement in regards to this ecclesial area.

Individual	Parish	Diocese
Not sure of my own faith that I could share with others	We do not let others give personal testimonies at Mass or after Mass	Other dioceses (like Chicago) have a 'coming home' program
We can't evangelize if we do not go to church every week	Invite more people into the choir and other ministries on Sunday...we need to ask them	What happened to the confession program "Keep the Light on"
I need to learn how to share the miracle stories of my life	We fail to create small groups of people to support each other in faith
