The Synod process relies heavily on our ability to collate information from this dialogue. To the best of your ability, please capture the words used by the speaker in a concise, comprehensive manner and be sure to return completed sheet to your facilitator at the end of the session. Check the ecclesial area that is being discussed at your table.

Facilitator Question: What are some of the **IMMEDIATE actions** that this ecclesial area can better address the needs of its people by you as an individual, by your parish and by the diocese? What are some **LONG-TERM strategies** to strengthen this ecclesial area?

Individual	Parish	Diocese
Need to invite other youth to our church and other events	Put money and resources into this area	Must put money and develop and put multi-parish structures in place to address youth ministry issues
Need to influence my peers by my example	Open up opportunities for youth to be ushers, readers, give communion Offer young adult gatherings Use social media to send Catholic messages and invitations to young people	An area wide youth ministry program and not just parish-based
